

## **LITTLE SAINT LAKE DISTRICT WEBSITE**

The new website mentioned in the recent newsletter is now available for access at <http://www.littlesaint.org/>.

The Board of Commissioners hopes you will visit the site to become familiar with its contents. We also encourage you to submit comments regarding content suggestions. We would be interested in receiving high resolution photographs for a possible photo gallery page.

The website will be a work in progress for years to come. This e-mail broadcast system will be used to communicate significant updates to you as well as other timely information concerning the Little Saint Germain Lake District. Broadcast system addresses can be added, revised or deleted by sending an e-mail to [tritter3@verizon.net](mailto:tritter3@verizon.net) (you have received this message because your address is currently on the list).

Happy surfing - we hope you enjoy your new website!

Ted Ritter, President  
Board of Commissioners
