

Steve Gilbert, WDNR Vilas County Fisheries Manager, has proposed that the present temporary 45" minimum size limit on musky for Little St. Germain Lake be made permanent. Please see the attached for details. This document can also be accessed from the table of **Miscellaneous documents** on the district website at <http://www.littlesaint.org>.

Steve will comment on this at the upcoming annual meeting.

Ted Ritter

Commissioner, Board of Commissioners
Little St. Germain Lake P&R District
